

## The Rose that grew From Concrete

autobiographical

Did u hear about the rose that grew from a crack  
in the concrete.

Proving Nature's laws wrong it learned 2 walk  
without Having Feet

Funny it seems But By Keeping its Dreams  
it learned 2 Breathe fresh air

Long Live The rose That grew from concrete  
When No one else even cared!

“Did u hear about the rose that grew from a crack  
in the concrete

Proving nature's laws wrong it learned 2 walk without having feet

Funny it seems but by keeping its dreams

it learned 2 breathe fresh air

Long live the rose that grew from concrete

when no one else even cared!” (Shakur 3)
